

RPL2: Recognition of Prior Learning (RPL) Mapping Tool

Applicant Details

Name: _____

Programme Applied For: _____

Module(s) for RPL Consideration: _____

Instructions for Use

This tool is designed to map prior certificated or experiential learning against the learning outcomes of the programme/module(s) for which RPL is being claimed. Applicants and assessors should ensure that all evidence aligns clearly with the required outcomes.

1 Section 1: Programme/Module Learning Outcomes

Module Code/Title	Learning Outcome	Evidence Provided	Relevance (High/Medium/Low)	Meets Outcome? (Yes/No)	Assessor Comments

2 Section 2: RPCL Evidence Mapping

Use this section for prior certificated learning.

Qualification/Certificate Title	Awarding Institution	Date of Completion	Credits & Level Achieved	Relevant Module/Programme Outcome

Section 3: RPEL Evidence Mapping

Use this section for experiential learning.

Experience/Activity	Dates	Role/Position	Learning Outcome Addressed	Evidence Provided (Portfolio, Reflective Account, etc.)

3 Section 4: Assessment Summary

Module Code/Title	RPL Credits Claimed	RPL Credits Awarded	Reasoning/Notes

4 Section 5: Assessor Declaration

I confirm that the evidence provided has been thoroughly assessed and the decision reached is fair, consistent, and in alignment with the RPL policy.
